PNEUMATIC AND HYDRAULIC ACTUATORS

Technical Features

ACTREG HISTORY

ACTREG, established in 1992, is a multinational company specialised in the manufacturer and sales of high quality of actuators for valves requiring a rotary, quarter turn movement for either On/Off or modulating duty. The expertise and know how has made ACTREG as leaders in actuation technology. ACTREG provides world coverage thanks to the strategic locations of its factories and offices. The international distribution secures quick availability and more importantly, personalised service for valve manufacturers, valve stockists and contractors.
